

Student of the Week and Best Class Ever Deidre Keller

<http://www.inclusivetoolbox.org/tool5>

TYPE	Lesson plan
LEVEL	elementary
SUBJECT	social learning
MODALITY	classroom-based
KEYWORDS	social learning, cooperation, friendship, self-control

Student of the Week is a project to recognize individual students, building self-esteem and self awareness.

Best Class Ever! is a unit plan on relationship choices. Through eleven lessons, students learn to identify the characteristics of being a good friend, examine how personal behaviour and attitudes can influence the feelings and actions of others, demonstrate ways to resolve conflicts, work cooperatively, and accept individual differences within a group. A Letter to Parents explaining the unit is included.
